Portwest Clothing Ltd.

EC Council Directive 89/686/EEC

EC Type-examination

Issue 1.

PPE Product

- a) Biztex™ ST30, disposable (SMS) hooded coverall, with sewn seams, zip front with full length storm flap and elasticated at the wrists, ankles, hood & waist, which is available in six nominal sizes and three fabric colours (white, navy blue & red).
- b) Biztex™ ST37, disposable (SMS) coverall with a collar, sewn seams, zip front with full length storm flap and elasticated at the wrists, ankles & waist, which is available in six nominal sizes and three fabric colours (white, navy blue & red).

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements of the relevant harmonized standards, EN ISO 13982-1:2004 (Type 5: Limited life, full body protection against airborne solid particulates) & EN 13034:2005 (Type 6: Limited life, full body chemical protective clothing offering limited protection against liquid chemicals).

The manufacturer's information notice (section 5.2 of the technical file), in English, has been inspected and found to have addressed all of the relevant requirements of the standards. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 11 of the Directive are implemented and maintained while the model is in production.

Certification is based on technical file reference Biztex Type 5/6, issue 1 rev. 1
