#### Glowtex

Portwest Glowtex™ Triple Technology uses the latest innovation in light emitting technology to ensure the wearer achieves the highest level of protection in high visibility apparel. Glowtex Triple Technology garments incorporate 3 fundamental properties: 1. Brightly coloured fluorescent background fabric for complete conspicuity in daylight 2. Very high performance HiVisTex retro reflective tape which bounces light back to the source and allows for superior visibility of the wearer in all weather conditions 3. Light emitting Glowtex phosphorescence tape which accumulates the light in well lit places and emits light in very low or no light conditions - ie it glows in the dark. Lasts up to 6 hours once illuminated.
