PRODUCT SPECIFICATION & TECHNICAL DATA

P271 - ERGONET FFP2 Valved Respirator

Collection: Respiratory Protection

Range: PPE

Materials: Polypropylene

Box Quantity: 10

Product information

Ergonomically designed to fit most face shapes, this respirator has a soft outer net cover to protect and retain its shape. Ultrasound welded and metal free, this respirator works efficiently to reduce heat inside the mask and provides comfort when used in hot and humid conditions. Other features include an innovative nose bridge seal for a perfect fit and an adjustable elastic band with clip.

EN 149 FFP2 (NR)
