## USER INFORMATION - LED'S

Please read these instructions carefully, together with main user information sheet. Store these instructions carefully so that you can consult them at any time.

### WARNING

Do not look directly into the lights.

Keep out of the reach of children.

### LIMITATIONS

This product is designed to increase visibility of the wearer.

If LED's are covered, damaged or dirty, this shall reduce effectiveness of this product.

Remove battery unit before washing.

Refer to garment label for washing details.

Ensure garment is completely dry before re-connecting battery unit.

### OPERATION

Remove battery housing from the inside pocket located on the front left side as worn of the product. Slide the cover open, insert 2 x AA batteries and close the cover. Return battery housing to inside pocket.

Turn lights on, change setting, and turn off by pushing the button located on the front of the battery housing. Position is indicated on outside of product for convenience.
